

## Aggies Win Flashy Contest From Ogden

### A. A. Players, 16-0

Falck Is Big Star for Visitors; Score at First Half Was 3 to 0 for Aggies; Dee, Jarvis, Twitchell, Bagley and Andrew Star for Locals; Both Teams Play Fast Ball; Large Crowd at Game

In one of the most stubborn games ever staged on the local field the Utah Aggies from Logan defeated the fast Ogden Athletic association eleven at Lorin Farr park yesterday afternoon, the score being 16 to 0.

The superior condition of the college men was one of the outstanding features of the contest. From the first whistle in the first quarter until the final foot in the last period the Aggies showed the results of wonderful training, hitting the A. A. line with force and making holes time and again.

Falck at quarter for the visitors was the bright light on the Aggie aggregation. His headwork in the contest together with his playing was a feature.

In the first quarter the locals lost an opportunity to score after running the ball to the Aggie twenty-yard line on line backs and end runs. Several times during the remaining periods the locals came within scoring distance only to see the Aggie line hold, the Ogdenites being forced to punt, thus losing chances at scoring.

In the first period the locals held the Aggies scoreless, the ball being in midfield during the greater part of the contest.

**GET FIRST POINT**  
In the second period a drop kick by Falck from the Ogden thirty-five yard line registered the first points of the game. It was a perfect goal, clearing the bar with plenty of room.

During the remaining minutes of play in the second period the locals held the Aggies, the period ending with the ball on the Aggie's thirty yard line in possession of the locals.

In the third period the Aggies worked the ball down the field and after seven minutes of play they blinged through the line, making the first touchdown of the day. Worley kicked goal. Score: Aggies, 10; Ogden, 0.

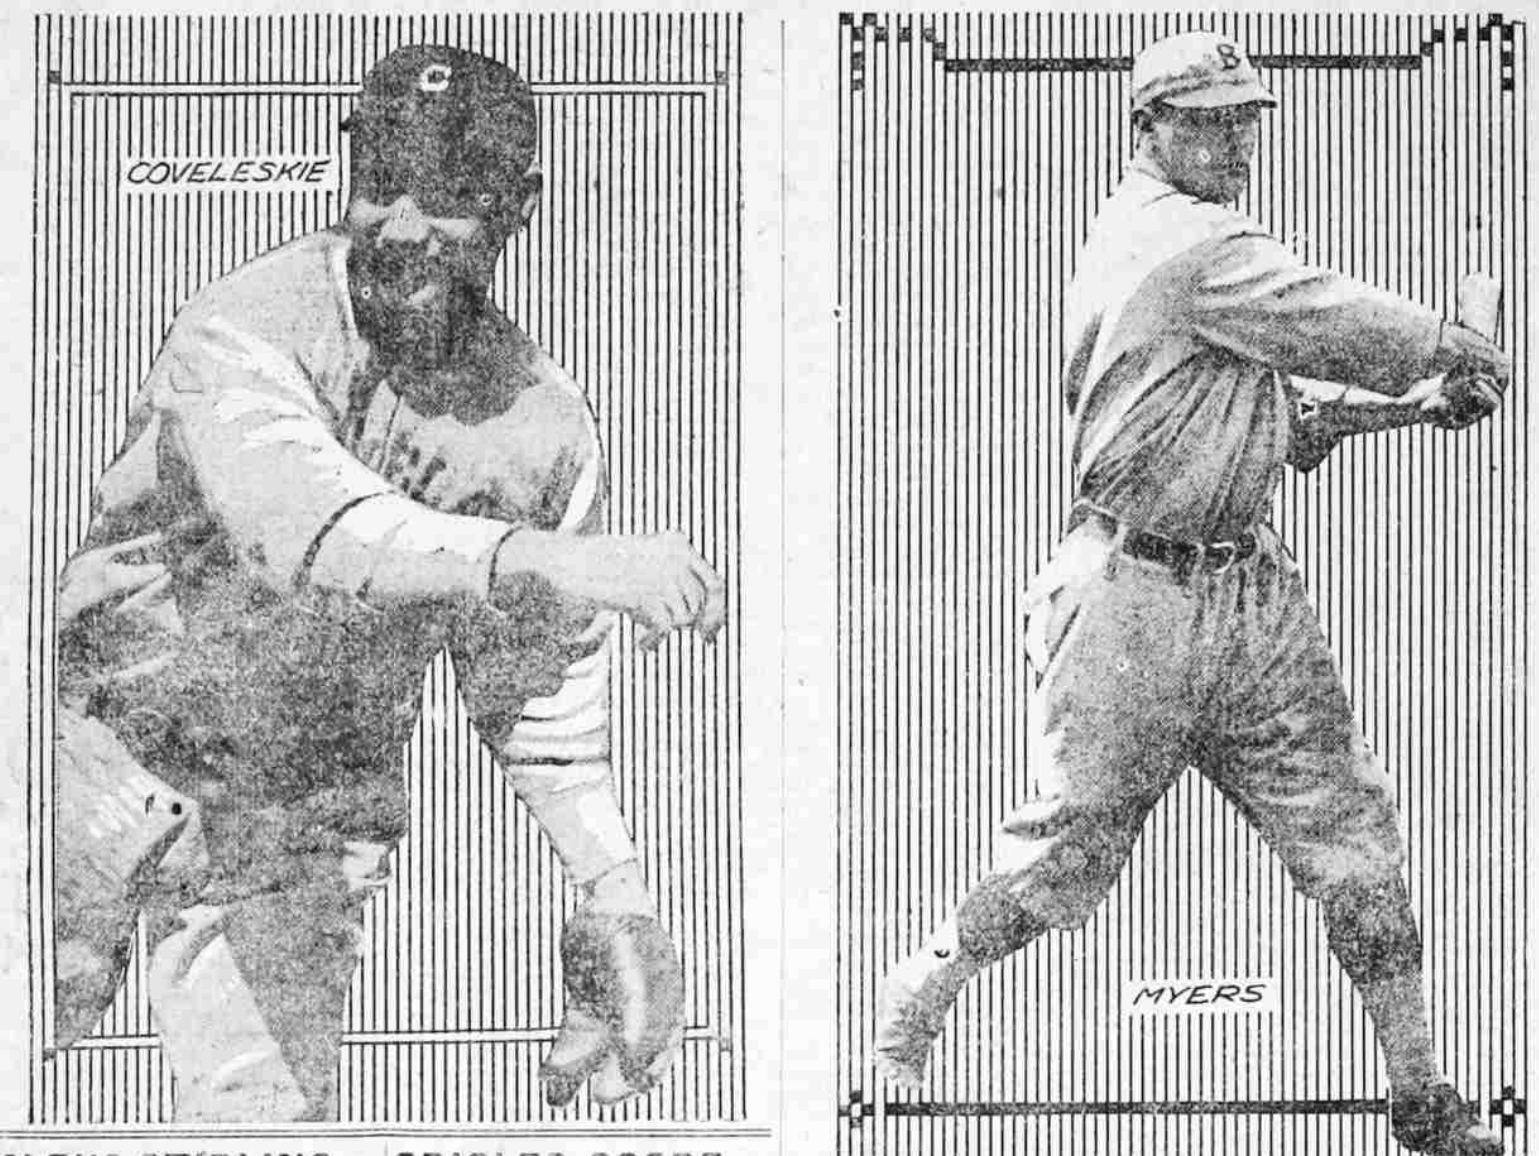

Following the touchdown the Aggies kicked over the goal line, the ball being placed in play on the Ogden twenty yard line. Cross backs, together with two successful forward passes by the Ogden players, put the ball on the Aggie's thirty yard line. The Aggies, however, held at this stage of the game, the locals losing the ball on downs.

The whistle sounded, ending the period, with the ball in possession of the locals on the Ogden forty yard mark. In the final period Reberg replaced Glasman at quarterback for the locals.

During the final period the two aggregations exchanged the ball, punting being one of the features of the period. Many changes were made in this period by the Aggies. The second and final touchdown was made in this period by the Aggies when Falck heaved a forward pass into Dorious' arms, the latter making a pretty ten yard run over the goal line. Worley missed his chance at goal. Score: Ogden, 0; Aggies, 16.

The playing of the locals, despite their disadvantage in training was remarkable and their showing against a team of the caliber and class of the

## TWO OF THE STARS IN YESTERDAY'S GAME

## ALEXA STIRLING WINS GOLF TITLE

### ORIGLES SCORE THIRD VICTORY

Atlanta Girl Defeats Pittsburgh Woman by Long Drives

CLEVELAND, O., Oct. 9.—Alexa Stirling, of Atlanta, won the women's national golf championship for the third consecutive time when she defeated Mrs. J. V. Hurd, of Pittsburgh, 4 and 3 at the Mayfield club today.

The champion played a wonderful long drive game, one of the best of her career, having the edge on her rival from the tee on every hole except the twelfth, where Mrs. Hurd's shot was five feet better. In approaching and putting they were fairly even, but Miss Stirling's gains on the long shots gave her the edge.

**CLOSE PLAYING**  
Miss Stirling was five up at the turn having won the first, second and third. Hurd picked up her ball on two after she had used four shots when Miss Stirling lay within a few feet of the pin on her second. The fourth hole was saved on the 15th when her second shot hit a spectator in the woods to the left and bounded back on the course.

On the fifteenth Miss Stirling drove 200 yards and then hit the ball on the edge of the green with her mid-iron, while Mrs. Hurd took three. Miss Stirling's first putt hung on the edge of the cup while Mrs. Hurd was several feet away and they halved the hole, ending the match. The score: Miss Stirling, Out, 44; 55 44-40. In, 744. Mrs. Hurd: Out, 776 556 546-47. In, 564 455.

**POP GEERS NOTED FOR CLEVER DRIVING**  
Veteran Edward (Pop) Geers, Grand Circuit driver, will be glad when 1920 rolls into its place in history. Pop has had two spills this season and has barely missed a half dozen others, until he has come to believe 1920 is a lucky campaign for him. Geers first spilled at the first Columbus meeting in July, when the trotter "Prosser" did a dive going into the first turn after getting the word. That tumble cost him the "Grand Old Man" with bruises, but he was back in the sulky the next day. At the Syracuse meeting "Wiki Wiki" fell after finishing second in the 2:27 trot, and Geers was thrown to the ground heavily. A badly wrenched back and shoulder resulted from the spill and the "Old Man" will be out of the game for the remainder of the season.

**LARRY LAJOIE TO WITNESS CONTESTS**  
Larry Lajoie, for nearly a quarter of a century a major league baseball star, will see his first world's series games in Cleveland. He has been invited to witness the contests in the Forest City by the Cleveland Indians. Lajoie is now at the head of an auto tire jobbing concern. He says he never attended a series before because he was always too busy to get away. He has accepted the invitation given him by the Indians' owner.

**OHIO STATE HAS FLASHY PLAYERS**  
Coach Wilce, of Ohio State, is not worried about the absence of "Chuck" Harley, who has been injured by a bad knee, but he is worried about the absence of "Old Man" Wilce, who has been injured by a bad knee. Wilce shifted Pete Stinchcomb from quarter to the backfield, and the Cleveland Indians displayed many of the qualities that made Harley famous. The Ohio State mentor believes he made a mistake in using Stinchcomb at the pivotal position while Harley was on the squad.

**REORGANIZATION IS DOUBTFUL, BUT SOME CITIES FAVOR PROPOSED LEAGUE**  
Reports brought to Ogden by baseball enthusiasts of Logan, who came down yesterday to witness the Aggie-Ogden A. A. football game, indicate that much interest has been taken in the baseball situation since the excitement made to Cache valley by the baseball boosters of Ogden and vicinity. It is now thought that at least three clubs from the Cache valley section are about ready to talk business with those clubs from this side of the Wasatch range, who have thus far promoted the new organization.

According to R. L. Olson, secretary of the Cache valley league for the last two years, there is still doubt as to the probability of the reorganization of the Cache valley league. Mr. Olson states that two clubs of the league are quite out of the question as members for next season and a four-club league in that valley would not set just right with most of the ardent followers of the game in Cache. Lewiston is anxious to participate in the organization of the proposed new league. This town is a prosperous one with many good baseball supporters, who will insist on some kind of baseball for next year. The Lewiston team of the Cache league has always been in the fight with both players and means to support a team, and for this reason the Beetdiggers would look good in the new league. If Smithfield and Logan of the Cache valley section can now be induced to come along the league will go over big, fans believe.

**KILBANE READY TO DEFEND HIS TITLE**  
Johnny Kilbane, featherweight champion of the world, is not in the least perturbed by Tex Rickard's threat to stage a featherweight battle and create a new champion. Kilbane sees no reason of Rickard's plan and then emitted the following: "It's too bad Rickard can't run the world boxing game to suit himself. He wants to pay fighters just what he thinks they are worth, then if they don't sign up he threatens to take their title. Maybe the public will have something to say about Rickard's plan. Tex just naturally hates himself." Kilbane declared he would fight for the title when he was ready and not before.

**CHI FANS DISFAVOR WORK OF BEN LEONARD**  
Benny Leonard has lowered his stock with Chicago fans by the manner in which he toyed with Pat Moran in their recent battle at East Chicago. Leonard, it seems, could have put the southern Italian lad away almost any time he desired, but instead of following his advantage, took things easy and Moran stuck for the distance with nothing worse than a bloody nose to catalog him as defeated.

**MAN O' WAR TO RETIRE AFTER PRESENT SEASON**  
The decision of Samuel D. Riddle, owner of the champion race horse, Man O' War, to retire the horse to breeding, after his match race in Canada October 12, will be hailed with delight by those turfmen who are anxious to see what the sensational spurring will do as a sire. Mr. Riddle promised early in the season that he would use Man O' War to improve the strain of running horses in this country, and his action in retiring the champion is taken as the first step in his direction of making good.

**WHAT THE CAPTAINS THINK**  
By CAPTAIN BILL GLASMAN  
The contest yesterday between our aggregation and the Utah Aggies was one of the most hotly contested in the history of the game in this city. Although the Ogden players were defeated by the Aggies, the showing of our aggregation stamps our team as one of the best in the western states. The Aggies were in the pick of condition. This phase was one of the features of their play while the work of their backs was also one of the features of the contest. In the coming games on our schedule we expect to develop a class aggregation and unless the wise ones miss their guess our team will make the best of them step. To be defeated by an aggregation of the class of the Aggies is not by any means a disgrace, and those who were in attendance at the game will agree on that end. It was a wonderful game, one of the best I have ever witnessed. Those who weren't present missed a treat."

**Soccer Men to Form League Monday Night**  
Soccer players of the state will meet at the Deseret gymnasium in Salt Lake Monday evening to arrange the schedule for the state soccer league, to be played this fall. Ogden soccer men who will attend the sessions include: Tom Taylor, O. Lipfrot and H. Johnson.

**FRECKLES AND HIS FRIENDS—Leave It to Tag to Explain.**

## INDIAN PARK LARGE ENOUGH

### OWNER DUNN WILL NOT ENLARGE PRESENT PARK; HAS SPENT SMALL FORTUNE

Regardless of the fact that the Cleveland Indians' ball park is much too small to accommodate the great crowd anxious to see world's series games there, Owner Dunn is not now and will not in the future even consider erecting a larger grounds for the Cleveland team. "Our plant is large enough for regular games, and it is not likely that Cleveland will win the world's series every year," said Dunn. A crowd of 33,000 people fills the Cleveland ball yard, and already the club has applications in excess of 42,000 for the blue ribbon games, of which nearly 120,000 to construct bleachers to accommodate 6500 fans, and the bleachers will be permanent. This will bring the capacity up to nearly 40,000. Dunn pointed out that the great rise in real estate values in Cleveland makes it almost impossible for the club to obtain a suitable site for a new ground. Although small League park, in Cleveland, is one of the best appointed plants in the major leagues.

**REORGANIZATION IS DOUBTFUL, BUT SOME CITIES FAVOR PROPOSED LEAGUE**  
Reports brought to Ogden by baseball enthusiasts of Logan, who came down yesterday to witness the Aggie-Ogden A. A. football game, indicate that much interest has been taken in the baseball situation since the excitement made to Cache valley by the baseball boosters of Ogden and vicinity. ## DOREMUS HEADS CHINA ROTARIANS

Other Snappy Events in Trap World; Elbert Makes New Amateur Mark

T. E. Doremus, a former president of the American Trapshooting association, and now the eastern general manager for the DuPont Export company, has been elected president of the Rotary club of Shanghai, China. He is known, too, that Doremus is shooting from scratch in the trapshooting tournaments there. Trapshooting is quite a sport in China. There is very little game to be shot there. We kick about the high prices of goods here, but read this: Shells that cost \$1.10 a box of 25 here cost \$3.50 a box in Shanghai and \$12.00 a box in Tientsin.

**BOY SHOOTER WHO IS GOOD**  
Alabama is boasting of a boy shooter who looks like a real champion. He is Nat Mason, 16 years old, of Selma. He broke 286 out of 300 targets in the state shoot, broke 96 from 15 yards in the handicap event and tied for first and in a tight shoot even he broke 57. He don't have to improve much to be a real star.

**WHAT THEY THINK**  
That some people have different ideas of what is good trapshooting was very well illustrated in a recent event in which Mrs. Topperwein was shooting in her usual snappy style, breaking them about 20 yards from the trap house. A spectator remarked: "Go! that woman is some shooter; look how she busts them!" The individual to whom the remark was addressed replied: "She sure does bust 'em, but look at that other fellow. He breaks them away from there—he gives them a chance."

**NEW AMATEUR RECORD**  
When he won the Hazard trophy the day prior to the Grand American with 57 breaks in 50 pairs, "Tip" Elbert of Des Moines, Ia., established a new amateur record and tied the professional record recently made by Charley Spencer. The previous record was 55.

**CANA ZONE HASTING CLIMAX**  
Bailona Heights in the canal zone has a trapshooting club with 235 members, 10 per cent of the population, a club house that has a rifle and pistol range, bath, etc. Looks as if we have to go away from home to find the ideal shooting club. More than 19,000 targets are thrown each month at this club.

**LIKE OUR STYLE ABROAD**  
Our shooters to the Olympic games bring home the word that the shooters of the European nations became convinced through the shooting in the English championships and in the Olympic games that the style in vogue in the United States was the best and it wouldn't be surprising to see our style in use on the continent within the next year.

**FIGHTERS PASS UP CHANCE FOR MONEY**  
Boxing champions like money, but there are times when they will not accept even money for their efforts. This was demonstrated in the Henry Leonard-Jack Britton match billed for Cleveland and postponed twice before it was finally called off. Leonard and Britton might have staged their meeting on the third night, but the war was chilly and both decided to pass it up. Leonard declared he could not afford to take a chance on an outdoor battle with the mercury descending toward the 40 mark. Britton was in favor of calling the null off after the first postponement. They were to receive \$20,000 each.

**MAN O' WAR TO RETIRE AFTER PRESENT SEASON**  
The decision of Samuel D. Riddle, owner of the champion race horse, Man O' War, to retire the horse to breeding, after his match race in Canada October 12, will be hailed with delight by those turfmen who are anxious to see what the sensational spurring will do as a sire. Mr. Riddle promised early in the season that he would use Man O' War to improve the strain of running horses in this country, and his action in retiring the champion is taken as the first step in his direction of making good.
